

Community Flyer Adventures

Our Community Flyers are also up for some adventure! Every month, anyone in our community can join up with a Flyer and embark on a great trip to somewhere exciting. This is a door-to-door service with meals and the activity included in the price. The adventures are suitable for those who enjoy day tripping and are interested in meeting new people, or for those caring for people who love an adventure!

For more information on our full range of services, please call our TransitCare team on 1300 153 636 or visit our website www.transitcare.com.au.

TransitCare

Connecting people to their communities

TransitCare Ltd is supported by the Department of Social Services and the Department of Communities, Disability Services and Seniors.

TransitCare

Provides worry-free transport and great social activities

What is TransitCare?

TransitCare is dedicated to providing transport and social support services to assist elderly people, the socially isolated and people with disabilities so that they can live independently in their own homes and remain connected to their communities.

We service clients who live in Brisbane South, Logan and Redlands Cities and Townsville and the surrounding areas.

Regular social outings and centre-based activities are planned for those looking to enjoy some time away from home catching up with old friends and meeting new ones.

Using our Services

Anyone can use the services of TransitCare. For clients over 65 who have qualified through My Aged Care, our service is subsidised by the Commonwealth government. There is a cost involved which varies depending on the distance travelled.

TransitCare is registered to provide services to NDIS participants to support the independence and social and economic participation of people with disability, to enable them to exercise choice and control in the pursuit of their goals and the planning and delivery of their supports.

Accessing our Services

Clients need to be registered with TransitCare before they can access transport or social support programmes. This can be organised by calling our TransitCare team on **1300 153 636**.

Community Flyers

Community Flyers are fully customised vehicles and include cars, wheelchair accessible vehicles and buses. At times of peak demand, we may also use taxis to deliver our services.

Where does the Community Flyer travel to?

Our service is pre-booked and door-to-door. We pick clients up from home and transport them anywhere within a 20 km radius but will go further for hospital and medical appointments. Our clients travel to:

- the bank and post office
- hospital and medical appointments
- the pharmacy
- general shopping and groceries
- social and recreational outings
- the gym, swimming and the library
- the hairdresser and personal grooming
- veterinary appointments
- visiting family and friends

And many more places!

What are the days and times?

Transport is available between 7.30 am and 5.00 pm, Mondays to Fridays.

Social Support Programme

What does the Social Support Programme offer?

Our Social Support Programme helps our clients to remain active and independent among a friendship group of like-minded people. Clients are collected from home by our Community Flyers and taken on social outings, day trips and to our centre-based social activities programme.

We travel to a variety of destinations and our events programme is varied and frequent. A calendar of events is mailed out every three months to each client and is also available on our website so that bus trips, social outings and events can be planned. Group social functions are also held on a regular basis.

Our Centre-based programme, run from TransitCare at Loganlea, allows people to come together and enjoy a variety of activities. This programme offers friendship and social support along with activities to build and maintain flexibility, mobility and strength.
